**Traditional Prints** - All Portraits are retouched and enhanced by Vince, and then printed with a matte finish...

**Heirloom Canvas** - After all finishing artwork is completed; your portrait is adhered to a fine Artist's canvas and mounted on Masonite for an Heirloom quality portrait.

**Fine Art Gallery Wrap** - Bring a little bit of the art gallery home with a Gallery Wrap, the latest contemporary presentation trend. Using Kodak Endura Photographic Paper and true Artist's canvas, photographic images are mounted on an oversized canvas which is then wrapped around a stretcher frame and stapled to the back of the frame. This process provides a clean, smooth edge that is suitable for framing or may be hung without a frame for a contemporary look.

**Custom Composite Portraits designed by Vince** - First two images \$20.00 in addition to Traditional print price \$10.00 per each additional image, up to six images total

**Retouching** - Portraits are given basic retouching to soften facial blemishes, correct most eyeglass reflections, and remove stray hairs. We take a subtle approach to retouching so it isn't obvious that anything has been done. Additional retouching services are available upon request at the rate of \$37.50 per 1/2 hour.
